NO WONDER PEOPLE THINK
CARAVAGGIO
IS A GUY ON THE SOPRANOS.

It's hard to believe. Here's a 16th-century Baroque master whose bold naturalistic painting style first created a sensation, then a movement. A guy

whose life was filled with the turbulence and excess of more than a dozen Mario Puzo novels.

young artist he struggled for years to make a living. He was angry. Yet the angry contrast between light and darkness in his work is the very reason why it now hangs in countless museums around the world.

If nothing else, it's a case study of the importance of having art as an outlet. Unfortunately, one we're fast removing from our kids' lives.

If the arts are indeed a vital part of your child's education (and studies show you believe they are), then you should demand his or her fair share.
