

Why some people think

Walt Whitman

makes chocolate candy.

Walt Whitman satisfied his sweet tooth with rich, wave-like verse.

Kids don't get enough art these days. Not in school. Not at home. So no wonder some of them mistake America's most revolutionary poet for a box of chocolates. But art transforms lives. In fact, the more art kids get, the more knowledgeable they become in subjects like math and science. And the more likely they'll become well-rounded, not to mention, well-versed adults.
